

### Things to keep in mind:

If you are in the Arlington, TX area May 14 - 16 go see Mike at the NBM Show! Booth #405. Find more info: <http://www.thenbmshow.com/arlington-2015>

### Laser Spotlight

Each month we showcase an item, product or skill from LaserU. We give a summary of the item and provide links for more information. This month we will look a **BirthDay Boards**. This comes from the Project Center.

This project uses a combination of mirrored acrylic and color fills. We used red, gray and silver acrylic with white and black color fills.

For more information on this see **BirthDay Boards** in the Project Center.
